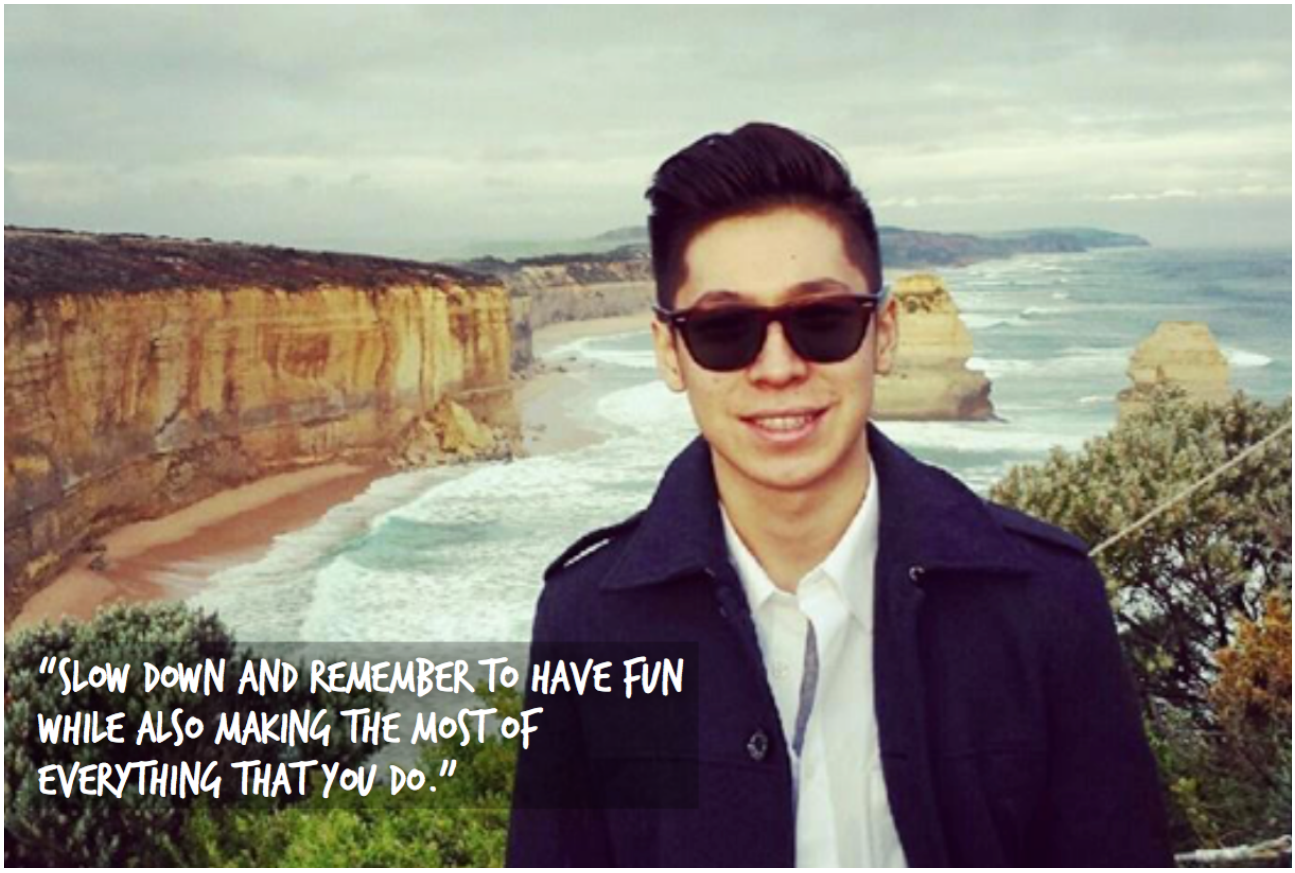
DVC - ECONOMICS/POLITICAL SCIENCE



WHY DID YOU CHOOSE TO STUDY AT DVC?

Honestly, I stumbled upon DVC by accident and I decided spontaneously to come here because it has a very good-looking campus.

WHAT DID YOU LIKE BEST ABOUT DVC?

Ever since I started studying in DVC, I haven't had any doubt about my decision to come here. DVC offers so many resources for students to succeed while also offering a chance for students to have a balanced life within their time here. I think that is the most valuable quality of the college.

WHAT EXTRACURRICULAR ACTIVITIES WERE YOU INVOLVED IN WHILE STUDYING IN DVC?

I am one of the Student Ambassadors at DVC and I also served as the Social Affairs director for DVC Finance Club in Fall 2015.

HOW WILL YOUR STUDIES/EXPERIENCE AT DVC HELP YOU ACHIEVE YOUR CAREER GOALS?

I think it really has helped me with my work experience and maturity. Learning to take big responsibilities is also something that I have learnt over time. Also, I get to learn something new everyday.
