## *Academic Bridge Program*

Summer 2024

### 6-week intensive program for transferable university credits!

The International Students Academic Bridge program is a Student Success Learning Community Cohort for new international students. Upon completion of the Academic Bridge Program, international students will be integrated into the general international students population at DVC, and continue to receive follow up services. In addition to the 6-week Summer session (June-July), this program is also available to new international students for the Mid-Fall (October-December) and Mid-Spring (March-May) 8-week sessions.
